

DORA
D U I I I

hespo

Još samo nekoliko sati do izlaska sunca.

Sabiremo novu snagu za dan koji slijedi.

Spavamo.

Snovi stimuliraju duh.

Tijelo se odmara.

Taj trenutak bezvremenske ravnoteže

između tijela i duha pripada nama.

Nepatvoreni odmor,

čudesno reguliran od prirode,

odražava se na našu okolinu.

Svoju ljubav i pažnju

bezrezervno poklanjamo obitelji.

Prihvaćamo izazove novog dana.

Blistajući se osmijevamo svijetu.

Svi primjećuju da smo izvrsno spavali.

DORA
DUUUU

Snovi
stvaraju
budućnost.
Victor Hugo

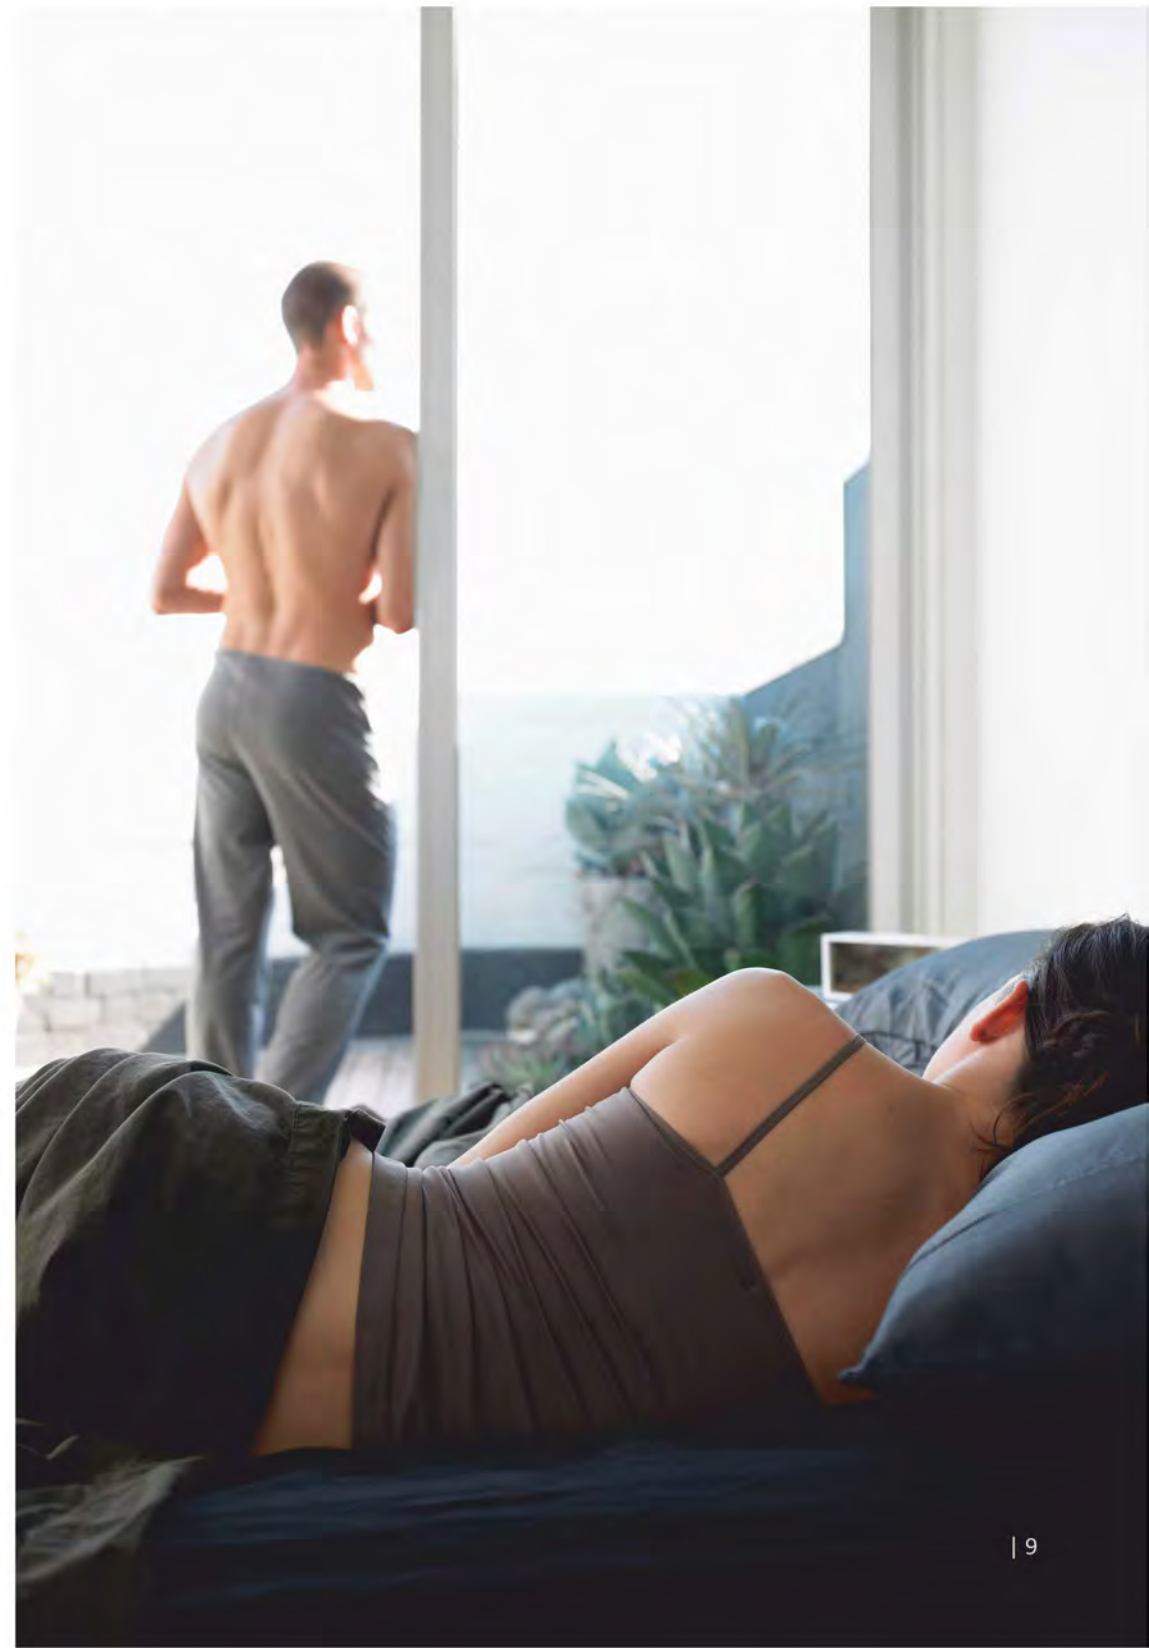

Mi smo građa od koje se prave snovi,
i naš je mali život snom zaokružen.

William Shakespeare

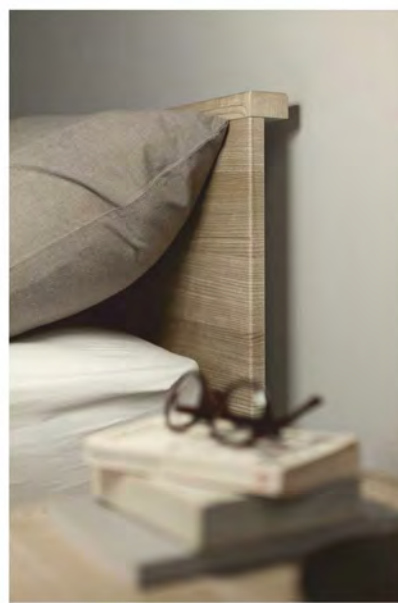

DORA

Spavanje je jedna od najvećih
životnih avantura.
